With the endless distractions and interruptions, the founders of Equate felt the need for a space where people can be allowed to take a break, slow down and enjoy the simple pleasures in life. Something as simple as having a honest cup of coffee, reading a book you have been wanting to for a long time, or even just being present embracing the moment.

Experience Equate differently! Orchard Central branch offers a full menu with delicious food alongside their signature coffee and artisanal bakes. For coffee enthusiast, Tanjong Pagar branch offers a curated selection of crafted coffee with seasonal pastries.
